It's hard to predict Monday's schedule given the unpredictable nature of responses.

Suggest you contact Monday am.

Here's the US EPA's webpage on the BP response.

Hello Mr. Arcaute,

We are looking to do a story on the BP oil spill into Lake Michigan. Would anyone from the EPA be able to talk to one of our reporters on camera on Monday, March 31<sup>st</sup>?

Please let me know.

Thanks,

Crystin
